Horticulture Therapy Art Project

February – Decorating flower pots with LOVE!

**Horticulture project can be scheduled Monday-Friday. Please contact Anna Clary for setting up project times.

Equine Science Class

Just can't get enough of horses? Don't worry we can't either! Come on out to our Equine Science class to learn everything there is to know about our four legged friends.

**Equine Science Classes can be scheduled on Monday, Tuesday, or Wednesday's please contact Ky to set up class times.

(GTC) Green Thumb Club

The Green House needs your help! We will be working on basic skills of planting, potting, watering, and watching plants grow.

Plant Powered

Join us in the greenhouse for learning and fun. We will be exploring all things plants and gardening from how to grow to how to use! We may even eat some plants... you never know!

Ranching 101

It's a lot of work taking care of all the animals on the farm... Think you have what it takes? Come on out to help feed, care, and learn about all the livestock we have on the farm.

Arena Games

Come enjoy a safe place to walk, run, or play sports. The arena is your playground. Monday, Wednesday, Friday at 10am.

Woodworking

February – Bird Houses

Animal Showcase

Come pet, groom, learn about, and love on a different animal each week. If you love animals you don't want to miss this!

Petting Paddock

Our funny, furry, and friendly pals need your attention! Come visit us!

Daily Activities

Come on out to the farm anytime of the week to partake in any of these self-guided activities...
