Golf Cart Experience/Driving Lessons - Come drive our golf carts! Get driving lessons at the scheduled time, or RSVP for a private lesson.

Tune-In Music – Tune out the drama and worries of the world and “Tune-In” to our music class. You will learn how to play instruments, stay on beat, and the history of music itself.

Dirt Floor Dancin’ – Boot, scoot, and boogie on down and get lost on our dirt dance floor. From the 2-step to the dougie we’ll teach it all.

Imagination Nation – Imagination is the name and bringing it to life is the game. With the power of art, there are no limits to what we will create. Come create, laugh, and learn different art forms from theater to wood working.

Dirty Hands Gardening - Get your hands dirty in the garden and learn the basics of planting, potting, watering, and helping plants grow.

Hungry Hands Gardening – Bring your hungry hands and learn different ways to cook the vegetables we grow out of our garden.

Ranching & Roping - Come help feed, tend to, and learn everything there is to know about our livestock. In addition, learn how to rope, ride, and be an old fashioned cowboy in our Ranching & Roping class.

Petting & Pampering - Calling all animal lovers! Don’t just pet the animals, also learn how to properly groom them. It makes petting them just a little more meaningful!

Arena Games – Monday we learn, Wednesday we train, and on Friday we put all together and enjoy one of our “Arena Games”.

If you want to join an activity or outing please RSVP to CLO’s Farm Experience Coordinator, Kourie Kanaman at
