Midnight Farm Day Service Activity Descriptions

Animal Visit: Interact with and care for the Midnight Farm animals.

Ceramics: Build ceramics by molding clay and firing it in the kiln, then add color by glazing it.

Cooking Class: Measuring and following a recipe are great life skills to practice!

Crafting: Show off your artistic skill and create masterpieces!

Do It Yourself: Get creative and make something fun to take home!

Drum Circle: Everyone will pick a drum or maraca and rock out to some music!

Exercise Class: Get moving and be active! Possible options include: walking, running or biking around the track, walking the trail, stretching, aerobics, dancing to music, sports, and more!

Game Time: Have fun and play games while building healthy social skills with peers.

Golf Carts: Drive the golf carts around the property. Enjoy being behind the wheel and practicing road safety!

Greenhouse: Participate in growing yummy food and raising beautiful flowers and a wide variety of plants in the greenhouse.

Group Choice: Decide as a group what activity to do. Choose from any classes on the calendar or come up with something of your own!

Helping Hands: Work together to complete tasks and build teamwork skills.

Karaoke: MNF loves music and we often sing a multitude of our favorite songs!

Lunch Bunch Cooking: Midnight Farm works together to create a meal for everyone to share! Lunch will be provided so there is no need to bring lunch on these days.

Movies: Once a week we like to wind down and watch some of our favorite films together.

Photography Club: Take photos of yourself, your friends, or cool things around Midnight Farm and turn them into collages!

Water Fun: Bring your swimsuit and a towel for some water fun! We'll play with the water slide, wading pools, water guns, sprinklers, and much more! If the weather tries to stop us, we will keep the fun going by doing cool water activities indoors.
